**Appointment of Mr Greg Kilmister as Chairman**

HRL Holdings Limited (ASX: HRL) (**HRL or the Company**) is pleased to announce the appointment of Mr Greg Kilmister as non-executive Chairman of the Company effective from 11 February 2019.

Mr Kilmister was the Managing Director and Chief Executive Officer of ALS Limited, the global provider of laboratory testing, inspection, certification and verification solutions from 2005 until his retirement in July 2017. He is recognised as the pivotal force in the growth and transformation of ALS from a diversified industrial group to a globally respected Testing, Inspection & Certification (TIC) player and an ASX100 company. During his tenure ALS's market cap grew from \$381 million in 2005 to over \$3 billion in 2017 and the staff numbers increased from approximately 4,000 to over 13,000 worldwide when he retired.

He has vast experience in operating laboratory focused businesses in the Environmental, Food, Pharmaceutical, Life Sciences, Minerals, Energy and Industrial sectors in more than seventy countries in Africa, Europe, Asia, Australia, and North and South America.

His extensive Board and Joint Venture experience in Australia and internationally will be invaluable to HRL as it looks to grow its operations currently based in Australia and New Zealand.

Mr Darren Anderson, who has filled in as Chair of the Company since Mr Kevin Maloney's retirement in August 2018, will revert to his previous role as an Executive Director of the Company.
